The screenshot displays the Dice.com job search interface. At the top, the navigation bar includes the Dice logo, links for Tech Careers, Career Explorer, and Insights, and options for Employers to Login/Register. A search bar is prominently featured with the text 'Find relevant jobs faster and easier.' and a toggle for 'Try the new Job Search'. The search criteria are set to 'Web Application Architect' and zip code '92101'. Below the search bar, there are checkboxes for job types: Full-Time, Part-Time, Contracts, and Third Party. The results section shows 'Web Application Architect jobs in 92101' with 1 - 20 of 468 positions. A sidebar on the left offers filters for Recent Searches, Company Segment, and Distance. The main content area lists job postings, including one from AVA Consulting and another from Amarn Search, Inc. A 'SALARY PREDICTOR' section on the right indicates a salary range of \$84,500 - \$108,000 for the role. A 'Feedback' button is visible on the right side of the results area.
